

DATED

2023

[Assignor]

- and -

THE TIG FOUNDATION

ASSIGNMENT OF PATENT APPLICATION AND
RELATED WORLDWIDE RIGHTS

THIS DEED OF ASSIGNMENT is made the day of 2023

BETWEEN

(1) **[Assignor]** incorporated and registered in **[Assignor location]** (company number: **[XXXX]**) whose registered offices are located at **[Assignor address]** (the “**Assignor**”);
and

(2) **The TIG Foundation** incorporated and registered in Germany (company number: **[1234]**) whose registered offices are located at **[TIG Address]** (the “**Assignee**”).

RECITALS

- (A) A patent application (the “**Application**”) has been filed, further particulars of which are given in the Schedule, in respect of the inventions respectively disclosed in the Application (the “**Inventions**”).
- (B) The Assignor has agreed to assign to the Assignee the Inventions and the Application and all its right, title and interest therein upon the terms and conditions set out below.

OPERATIVE PROVISIONS

1. In consideration of payment of ONE POUND (£1) (the receipt and sufficiency of which the Assignor hereby acknowledges) the Assignor with full title guarantee HEREBY ASSIGNS unto the Assignee:
 - (a) all its rights, title and interest in and to the Inventions and the full and exclusive benefit of them;
 - (b) all the rights of the Assignor in and to the Application and the full and exclusive benefit of them and all rights privileges and advantages associated with them;

- (c) the full right to apply for and obtain patents or other similar forms of protection in respect of the Inventions throughout the world;
- (d) the right to make any new application or applications anywhere in the world in respect of any part or parts of the subject matter of any application or specification filed in connection with the Inventions;
- (e) all rights, title and interest in and to any patents or other similar forms of protection granted in respect of the Inventions pursuant to the Application;
- (f) the right to claim priority of the Application; and
- (g) the right to bring proceedings (anywhere in the world) for the recovery of damages and/or other remedies in respect of any previous infringement of the rights assigned by this agreement.

TO HOLD the same unto the Assignee absolutely.

2. The Assignor warrants that:

- (a) it has not assigned or licensed any of its rights under the Application;
- (b) the Application is free from any security interest, option, mortgage, charge or lien put in place by the Assignor;
- (c) the assignment and exploitation of the Application will not infringe the rights of any third party, so far as the Assignor is aware.

3. The Assignor undertakes that it will not without the consent of the Assignee publish or disclose any particulars of the Inventions or the Application to any person.

4. The Assignor hereby covenants with the Assignee that it shall execute such further documents and do such further acts, as may reasonably be required by the Assignee to enable the Assignee (or its nominee) to enjoy the full benefit of the property and rights hereby assigned and to apply for any patents or other forms of protection in

respect of the Inventions throughout the world, and fully and effectively to vest the same in the Assignee or as the Assignee shall direct.

5. The Assignor further covenants with the Assignee that at the request and expense of the Assignee it shall provide all such assistance as the Assignee may reasonably require in connection with any proceedings concerning the Application or any patents, patent applications or similar rights applied for or arising in respect of the Inventions, including the disclosure of relevant documents and materials and the provision of oral and written testimony from relevant personnel.
6. This agreement shall be governed by and construed in accordance with English law and shall be subject to the exclusive jurisdiction of the English courts.

IN WITNESS of which this agreement has been executed as a Deed and delivered the date and year first above written.
