

TIG Inbound Game License
Version 1.1, November 2023
<http://www.tig.foundation>

TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

1. Definitions.

"License" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or, person or entity authorised by the copyright owner to grant the license to the copyright in the Work.

"Source" form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

"Object" form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

"Permissive License" shall mean any license agreement which is compatible with the terms of any of; **(i)** the TIG Game Outbound License; **(ii)** the TIG Open Data License; or **(iii)** the TIG Commercial License. [examples include MIT, BSD and Apache software licenses].

"Submitter" shall mean the person or entity that submits the Work to TIG.

"Work" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work [an example is provided in the Appendix 1 below].

"TIG" shall mean The TIG Foundation, a company registered in Germany with a registered office at Kurfurstendamm 15, 10719 Berlin, Deutschland.

"TIG Game Round" means the number of days specified for each round of the innovation game as specified in the TIG Game Rules.

"TIG Game Rules" shall mean with respect to a Work submitted to TIG by Submitter the rules published at the date Submitter submitted that Work under the terms of the License, a copy of which can be obtained at https://github.com/tig-foundation/docs/blob/main/TIG_Game_Rules.md.

"TIG Innovator Outbound Game License" shall mean the TIG Innovator Outbound Game License v1.0 and later versions a copy of which can be obtained at <https://github.com/tig-foundation/docs>.

"TIG Benchmarker Outbound Game License" shall mean the TIG Benchmarker Outbound Game License v1.0 and later versions a copy of which can be obtained at <https://github.com/tig-foundation/docs>.

"TIG Open Data License" shall mean the TIG Open Data License v1.1 and later versions a copy of which can be obtained at <https://github.com/tig-foundation/docs>.

"TIG Commercial License" shall mean the TIG Commercial License v1.0 and later versions a copy of which can be obtained at <https://github.com/tig-foundation/docs>.

2. Grant of Copyright License. Subject to the terms and conditions of this License and the TIG Game Rules, Licensor hereby grants to TIG a perpetual, worldwide, non-exclusive, no charge, royalty-free, irrevocable copyright license to reproduce, sublicense, and distribute the Work in Source or Object form under the terms of any, or all of; **(i)** the TIG Innovator Outbound Game License; **(ii)** the TIG Benchmarker Outbound Game License; **(iii)** the TIG Open Data License; and **(iv)** the TIG Commercial License.

3. Grant of Patent License. Subject to the terms and conditions of this License and the TIG Game Rules, Submitter hereby grants to TIG a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work in Source or Object form, where such license applies only to those patent claims licensable by Submitter that are necessarily infringed by the Work alone or by combination of the Work with other software submitted to TIG by Submitter with the Work.

4. Submitter Representations. Submitter represents that Submitter is legally entitled to grant the above licenses.

Submitter represents that any code which is submitted to TIG which is a work of authorship in which the copyright is owned by Submitter, will be submitted to TIG under the terms of this License.

Submitter represents that any code which is submitted **with** the Work to TIG which is not a work of authorship in which the copyright is owned by Submitter, and which is submitted under a separate license from this License, will be under the terms of a Permissive License only.

Submitter represents that any code which is **incorporated into** the Work which is not a work of authorship in which the copyright is owned by Submitter, and which is submitted to TIG under this License was licensed to Submitter under the terms of a Permissive License which permits relicensing under the terms of this License.

5. Submitter Licensing Undertaking. At the same time, that Submitter submits a Work to TIG under the License, Submitter shall also submit that Work to TIG under the terms of the TIG Open Data License [[See Appendix 2 below for how to apply the TIG Open Data License to your work](#)].

6. TIG Licensing Undertaking. TIG shall publish and make each Work submitted to TIG by a Submitter available under the TIG Innovator Outbound Game License and the TIG Benchmarker Outbound Game License at the start of, but no sooner than, the Game Round after the next two (2) complete Game Rounds following the Game Round in which the Work was submitted by Submitter to TIG. At the same time as TIG publishes and makes the Work available under the TIG Innovator Outbound Game License and the TIG Benchmarker Outbound Game License, TIG shall also publish and make the Work available under the terms of the TIG Open Data License and the TIG Commercial License.

7. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

8. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any

warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.

9. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall Licensor or Submitter be liable to Licensee for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if Licensee or Submitter, as the case may be, has been advised of the possibility of such damages.
