

TIG Open Data License
Version 1.1, November 2023
<https://www.tig.foundation>

By exercising any right granted under this Licence, You irrevocably accept these terms and conditions.

1. Definitions

- 1.1. "Anonymised Version"** means a version of a data set that does not retain any personally identifiable information ("**PII**").
- 1.2. "Product Information"** means with respect to a Product, the minimum information, in the preferred form for making modifications, regardless of its medium or how it is expressed, necessary to reproduce and make modifications to the Product, including but not limited to, the Covered Software, in Source Code Form, used to generate the Product, and any necessary installation and interfacing information for the Product. Product Information need not include information necessary to reproduce any component, provided that, You include sufficient information to enable a recipient to source and use the component to be able to reproduce the Product. Where the information includes PII which would at the time of any public disclosure breach any relevant privacy regulations then in force, the preferred form shall be an Anonymised Version of the information. If the format of the data is proprietary, it must also be made available in a format (if the proprietary tool can create it) which is viewable with a tool available to potential licensees and licensed under a licence approved by the Free Software Foundation or the Open Source Initiative.
- 1.3. "Contributor"** means each individual or legal entity that creates, contributes to the creation of, or owns Covered Software.
- 1.4. "Contributor Version"** means the combination of the Contributions of others (if any) used by a Contributor and that, particular Contributor's Contribution.
- 1.5. "Contribution"** means Covered Software of a particular Contributor.
- 1.6. "Covered Software"** means Source Code Form to which the initial Contributor has attached the notice in Exhibit A, the Executable Form of such Source Code Form, and Modifications of such Source Code Form, in each case including portions thereof.
- 1.7. "Executable Form"** means any form of the work other than Source Code Form.
- 1.8. "Larger Work"** means a work that combines Covered Software with other material, in a separate file or files, that is not Covered Software.
- 1.9. "License"** means this document.
- 1.10. "Licensable"** means having the right to grant, to the maximum extent possible, whether at the time of the initial grant or subsequently any, and all, of the rights conveyed by this License.
- 1.11. "Modifications"** means any of the following:

- a. any file in Source Code Form that results from an addition to, deletion from, or modification of the contents of Covered Software; or
- b. any new file in Source Code Form that contains any Covered Software.

1.12. "Output Data" means the data output from running Covered Software.

1.13. "Patent Claims" of a Contributor means any patent claim(s), including without limitation, method, process, and apparatus claims, in any patent Licensable by such Contributor that would necessarily be infringed, but for the grant of the License, by the making, using, selling, offering for sale, having made, import, or transfer of either its Contributions or its Contributor Version.

1.14. "Patent Claims" of TIG means any patent claim(s), including without limitation, method, process, and apparatus claims, in any patent Licensable by TIG that would necessarily be infringed, but for the grant of the License, by the making, using, selling, offering for sale, having made, import, or transfer of Covered Software or Product.

1.15. "Product" means Output Data and any, device, component, work or physical object, whether in finished or intermediate form, arising from the use, application, or processing of Output Data.

1.16. "Source Code Form" means the form of the work preferred for making modifications to the Covered Software.

1.17. "TIG" shall mean The TIG Foundation, a limited company registered in Germany with a registered office at [Address of registered office].

1.18. "You" (or "Your") means an individual or a legal entity exercising rights under this License. For legal entities, "You" includes any entity that controls, is controlled by, or is under common control with You. For purposes of this definition, "control" means (a) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (b) ownership of more than fifty percent (50%) of the outstanding shares or beneficial ownership of such entity.

2. License Grants and Conditions

2.1. Copyright Grants

Subject to the terms of this License, each Contributor hereby grants You a world-wide, royalty-free, non-exclusive license under intellectual property rights (other than patent or trademark) Licensable by such Contributor:

- (i) to reproduce and use, its Contributions, either unmodified, with Modifications, or as part of a Larger Work; and
- (ii) to make available, modify, display, perform, distribute, and otherwise exploit its Contributions, either unmodified, with Modifications, or as part of a Larger Work.

2.2. Patent Grants

- (i) Subject to the terms of this License, **TIG** hereby grants You a world-wide, royalty-free, non-exclusive license under Patent Claims of TIG to make, use, sell, offer for sale, have made, import, and otherwise transfer the Covered Software and Products.
- (ii) Subject to the terms of this License, each **Contributor** hereby grants You a world-wide, royalty-free, non-exclusive license under Patent Claims of such Contributor to make, use, sell, offer for sale, have made, import, and otherwise transfer Covered Software and Products.

2.3. Effective Date

The licenses granted in Section 2.2(i) with respect to any Patent Claims of TIG become effective on the date TIG first distributes the Covered Work.

The licenses granted in Sections 2.1 and 2.2(ii) with respect to any Contribution become effective for each Contribution on the date the Contributor first distributes such Contribution.

2.4. Limitations on Grant Scope

The licenses granted in this Section 2 are the only rights granted under this License. No additional rights or licenses will be implied from the distribution or licensing of Covered Software under this License. Notwithstanding Section 2.2(ii) above, no patent license is granted by a Contributor:

- (i) for any code that a Contributor has removed from Covered Software; or
- (ii) for infringements caused by: (a) Your and any other third party's modifications of Covered Software, or (b) the combination of its Contributions with other software (except as part of its Contributor Version); or
- (iii) under Patent Claims infringed by Covered Software in the absence of its Contributions.

2.5. Representation

Each Contributor represents that the Contributor believes its Contributions are its original creation(s) or that it has sufficient rights to grant the rights to its Contributions conveyed by this License.

2.6. Fair Use

This License is not intended to limit any rights You have under applicable copyright doctrines of fair use, fair dealing, or other equivalents.

2.7. Conditions

Sections 3.1, 3.2, 3.3, and 3.4 are conditions of the licenses granted in Sections 2.1 and 2.2.

3. Responsibilities

3.1. Distribution of Source Form

Share Alike: All distribution of Covered Software in Source Code Form, including any Modifications that You create or to which You contribute, must be under the terms of this License. You must inform recipients that the Source Code Form of the Covered Software is governed by the terms of this License, and how they can obtain a copy of this License.

3.2. Distribution of Executable Form

Availability of Source Code Form: If You distribute Covered Software in Executable Form then such Covered Software must also be made available in Source Code Form, as described in Section 3.1, and You must inform recipients of the Executable Form how they can obtain a copy of such Source Code Form by reasonable means in a timely manner, at a charge no more than the cost of distribution to the recipient.

3.3. Distribution of a Larger Work

You may create and distribute a Larger Work under terms of Your choice, provided that, You, also comply with the requirements of this License for the Covered Software.

3.4. Distribution of Product

If You distribute Product the related Product Information must also be made generally available, and You must publicly state how a third party can obtain a copy of such Product Information by reasonable means in a timely manner, at a charge no more than the cost of distribution to the recipient.

3.5. Notices

You may not remove or alter the substance of any license notices (including copyright notices, patent notices, disclaimers of warranty, or limitations of liability) contained within the Source Code Form of the Covered Software, except that You may alter any license notices to the extent required to remedy known factual inaccuracies.

4. Inability to Comply Due to Statute or Regulation

If it is impossible for You to comply with any of the terms of this License with respect to some or all of, the Covered Software due to statute, judicial order, or regulation then You must: (a) comply with the terms of this License to the maximum extent possible; and (b) describe the limitations and the code they affect. Such description must be placed in a text file included with all distributions of the Covered Software under this License. Except to the extent prohibited by statute or regulation, such description must be sufficiently detailed for a recipient of ordinary skill to be able to understand it.

5. Termination

5.1. The rights granted under this License will terminate automatically if You fail to comply with any of its terms. However, if You become compliant, then the rights granted under this License from a particular Contributor are reinstated (a) provisionally, unless and until such Contributor explicitly and finally terminates Your grants, and (b) on an ongoing basis, if such Contributor fails to notify You of the non-compliance by some reasonable means prior to 60 days after You have come back into compliance. Moreover, Your grants, from a particular Contributor, are reinstated on an

ongoing basis if such Contributor notifies You of the non-compliance by some reasonable means, this is the first time You have received notice of non-compliance with this License from such Contributor, and You become compliant prior to 30 days after Your receipt of the notice.

5.2. In the event of termination under Section 5.1 above, all end user license agreements (excluding distributors and resellers) which have been validly granted by You or Your distributors under this License prior to termination shall survive termination.

6. Disclaimer of Warranty

Covered Software is provided under this License on an "as is" basis, without warranty of any kind, either expressed, implied, or statutory, including, without limitation, warranties that the Covered Software is free of defects, merchantable, fit for a particular purpose or non-infringing. The entire risk as to the quality and performance of the Covered Software is with You. Should any Covered Software prove defective in any respect, You (not any Contributor) assume the cost of any necessary servicing, repair, or correction. This disclaimer of warranty constitutes an essential part of this License. No use of any Covered Software is authorized under this License except under this disclaimer.

7. Limitation of Liability

Under no circumstances and under no legal theory, whether tort (including negligence), contract, or otherwise, shall any Contributor, or anyone who distributes Covered Software as permitted above, be liable to You for any direct, indirect, special, incidental, or consequential damages of any character including, without limitation, damages for lost profits, loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses, even if such party shall have been informed of the possibility of such damages. This limitation of liability shall not apply to liability for death or personal injury resulting from such party's negligence to the extent applicable law prohibits such limitation. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so this exclusion and limitation may not apply to You.

8. Miscellaneous

This License represents the complete agreement concerning the subject matter hereof. If any provision of this License is held to be unenforceable, such provision shall be reformed only to the extent necessary to make it enforceable. Any law or regulation which provides that the language of a contract shall be construed against the drafter shall not be used to construe this License against a Contributor.
